Many of these sites can also be accessed using FTP. In addition, several [StatLib](#) mirrors around the world provide a complete CRAN mirror.

If you want to host a new mirror at your institution, please have a look at the [CRAN Mirror HOWTO](#).

To "submit" to CRAN, simply upload to <ftp://cran.r-project.org/incoming> and send email to cran@r-project.org. Please indicate the copyright situation (GPL, ...) in your submission.
